

ADMIRAL STANSFIELD TURNER

28 March 1980

Mr. Willard M. Hanzlik

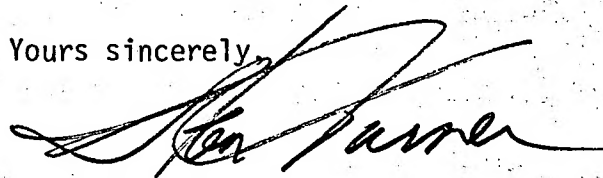

Dear Mr. Hanzlik:

Your letter to my father requesting his support for your brother's campaign for the United States Senate just reached me. I wanted to let you know that my father passed on in August 1978 (and my mother just last month, also).

One of Father's keen interests in life was encouraging more people of quality and from the private sector to come into our government. I'm sure he would have been pleased that your brother is attempting to do that.

With warm regards.

Yours sincerely,

STANSFIELD TURNER
